Supplemental Police Reports
(2 Parts) (1st part 7 Pages)

This Police Report although not an exact copy never the less is a retyped Police Report of the May 19, illegal entry, and continuing defiance of trespassing, and my rights to Privacy. as I reported earlier, and handed in personally a Police Report in on May 31, with this and the following Criminal occurs. Reported Stolen were 25 U.S. Postal Registered Receipts (Total Spending Value App. \$150.00, Older Rental Receipts in which "Payment Under Protest" has been written on for over a year, \$50.00 Cash (Chomet), and some more older Phone Bills

On May 26, at approximately 7:00 P.M. my Light Blue blew out (G.E. 75 Watt Blue recently purchased) while typing I bring this issue up not only because of other earlier report "Electrical Wiring Problems" and "Electrical Counterband: because not only have numerous other light bulbs blown out under similar circumstances, (Some almost striking me in the face, but I've had some Electrical Appliances such as small Television blown out also. Also Toaster wires to a small toaster have been cut, and a vacuum Cleaner intentional sabotaged by breaking the bottom part leading to the vacuum Cleaner Bag Also, I have went through a Number of Fans Here, and I comment the possibility that not all of them were burned out, though just from usage. Also upon buying another small television that WAS IN PERFECT working order upon returning on May 29, the inside speaker was sabotaged perhaps through somebody, sticking a knife through it. It was in perfect order when I left also, regarding "Electrical Intrusions Basedropping, Draining, Brand New AA "zine type Batteries would not operate properly

Supplemental, Police Reports

(2 Parts)

On May 27, another light bulb, which was a G.E. Bulb (75 Watt, also which was in perfect order when I left from 2:00 P.M. to 6:00 P.M. was also not in working order when I returned

On May 28, Sunday after being gone all day another and last light bulb was stolen from locked closet, * Please Note that recently both original keys to Medico Deadbolt Lock have broken off the Key Ring, thus forcing me to put back on a duplicate lock to which management has the duplicate key to, although the Upper Top Lock which Recently had a "New Medico Combination put on an older lock (See Previously submitted copy of Locks Receipts from earlier Police Reports That was the reason for the damage by the locked closet door, because a locksmith said I could not get A DUPLICATE MADE, ALTHOUGH ON THIS PARTICULAR LOCK I saved the original Key Card. He Stated it was not the original card, which justified earlier illegal entries just as I always suspected Also, a booklet of 10 U.S Postage Stamps were Taken. Value \$2.90

Conclusion as previously stated The ongoing defiance of trespassing and privacy Issues, and stealing of Legally filed Court Proceedings records. have led to various other crimes. As previously submitted I've enclosed another list of tenants and persons and these premises whom I believe had criminally taken part in "inside Trading Issues" leading to other Criminal Acts of Blackmail, Extortion, etc, with a definite Intent, Concurrence, and attempt to Defraud, while obstructing and tampering with issues I've been trying to handle in an orderly manner in a Complete City County, and State of Anarchy and an which has continuously put my life in a Clear, Present, Offense

SUPPLEMENTAL POLICE REPORT

(PART ~~part~~ PART 2 12 PAGES

I left a prior message on June 9 to the upstairs receptist and called again, but you were on a vacation. i realize this Report is a bit late, but it doesn't change the On-Going Corruption, Torture Retaliation, and Stealing that I've been subjected to, Illegally

On June 8th during the morniong hours from approxminely *a.m. to 10 A.M. some very important Court Filed Papers to the Supreme Court were sfolen by the same methods described earlier having to do with a Remitter, which currently the whole County of Los Angeles is after it , not excluding the Sate, etc. I included copies of filings and a prove of service. I've already made referance to the amount of Criminal Corruption Conspiring Cõspiracy with an Intent and Knowledge, Concernance to Defraud, and Obseesed Revengue by others whom have, and will continue to spare no expense, in attacking my creditability, and knowledge of prior, and present events, putting my Life in a an On-going Clear and Present Danger, by Contractial Extortion, and all the other charges made throughout, but jeordizing my future as well, again, by using the same issues that are always used to create a smoke screen froom the Real Major Issues Involved whioch in certain instances I've already proven beyond a reasonable doubt. Yet with all the Legal, Economical, and Social Depriving, Stealing, Obstructions, etc. that continue illegally, I have to abide by Law and Order hypoticty Standards with no arrests as of yet by others aiding and abettting, wanting merits and situations of my Personal Law suits and Charges and trying to eliminate me or entrapment whether event occurs first, permanently. to the "Rights to My Life" and trying to Steal every claim to my and/or our lives, and yes I

13 put on the Closet Door, althrough still damaged works, because the
14 inside metal insert outside the lock cylinder is a barrier fitted
15 between the creak of the door, which means you still need a key to
16 get into the closet, althrough the outer part of the lock is
17 exposed into the wall. Keep in mind this event only just occurred
18 recently, after most of the critical parts of copies of my filed o-ies
19 Court Papers were stolen, thus smaking me acutely aware of some en-

18 see upstairs above me, or outside on roof tops, with specialized
19 commerical type surveillance equipment, I need to know if they are
20 in part or in any capacity governed or have responsibilities with the
21 Police Dept. The date of their initial hiring now becomes of more
22 greater importance, along with any recently past New Discriminating
23 Type Legislation regarding "Excessive Police Powers", etc. They
24 came well after I was here, creating a sort of blanket situation for
25 others, all at my expense, since I believe my charges of being,
26 Continuously victimized by the charges mentioned throughout are well
27 founded, while others seek to capitalize on my misery, etc.

KEEP THIS REPORT FOR REFERENCE.

Your case will be assigned to a detective for follow-up investigation based upon specific facts obtained during the initial investigation. Studies have shown that the presence of these facts can predict whether a detailed follow-up investigation would likely result in the arrest and prosecution of the suspect(s) or the recovery of property, in a manner that is cost-effective to you, the taxpayer. Significant decreases in personnel have made it impossible for detectives to personally discuss each and every case with all crime victims. A detective will not routinely contact you, unless a detective requires additional information.

TO REPORT ADDITIONAL INFORMATION: If you have specific facts to provide which might assist in the investigation of your case, please contact the detective Monday through Friday, between 8:00 A.M. and 9:30 A.M., or between 2:30 P.M. and 4:00 P.M. at telephone number reached. If the detective is not available when you call, please leave a message and include the telephone number where you can be reached.

COPY OF REPORT: If the checkbox under your signature is checked, this copy is the complete report. If it is not checked and you wish to purchase a copy of the complete report, phone 485-4193 to obtain the current purchase price, and send a check or money order payable to the Los Angeles Police Department to Records and Identification Division, Box 30153, Los Angeles, CA 90030. Include a copy of this report or the following information with your request: 1) Name and address of victims. 2) Type of report and DR number (if listed above). 3) Date and location of occurrence. NOTE: Requests not accompanied by proper payment will not be processed.

DR NUMBER. If not entered on this form, the DR number may be obtained by writing to Records and Identification Division and giving the information needed to obtain a copy of the report (see above paragraph). Specify that you only want the DR number. It will be forwarded without delay. There is no charge for this service.

CREDIT CARDS/CHECKS. Immediately notify concerned credit corporation or banks to avoid possibility of being liable for someone else using your stolen or lost credit card or check.

This is to inform you that, according to our records, you may be entitled to the money or property listed below.

The California Controller's Office has an outreach program to return over \$1.3 billion of unclaimed property to rightful owners or heirs. Unclaimed property is money or tangible property held for more than three (3) years without owner contact. California's Law requires businesses to transfer such property to this office for safekeeping.

You may claim this property by completing the reverse side of this form and providing proof of ownership as listed on the attached form. If you do not have all of the items required, please send as much information as possible to prove this claim. If you are an heir rather than direct owner, provide a certified copy of the owner's Death Certificate and Will or a Final Decree of Distribution. Please send documents to:

We hope to be able to process and return your property with interest within 90 days once we receive your completed forms. If there will be a delay in your payment, you will be notified when you should expect to receive your property.

For further information, please write to the above address or call the Division of Unclaimed Property at the toll-free number [redacted]. We look forward to serving you.

AFFIRMATION

Each of the undersigned claimants affirms: That claimant has read the claim and knows the contents thereof; that claimant is the sole owner of the said claim and the sole person entitled to receive the money and property set forth in said claim.

Each claimant certifies under penalty of perjury that original instruments such as stock certificates, checks, passbooks, etc., have been submitted or, if unable to produce such original instruments, certifies that claimant has not sold, pledged, hypothecated or otherwise transferred said instruments or any interest or right therein. If said instruments are found by claimant, the claimant agrees to deliver them to the State Controller's Office for cancellation. In addition, each claimant will obtain a lost instrument bond if the State Controller requests such a bond.

Each claimant agrees to indemnify and hold harmless the State, its officers and employees from any loss resulting from the payment of said claim.
